## BATMAN

# The New Software Adventures of Batman,™ The Caped Crusader™

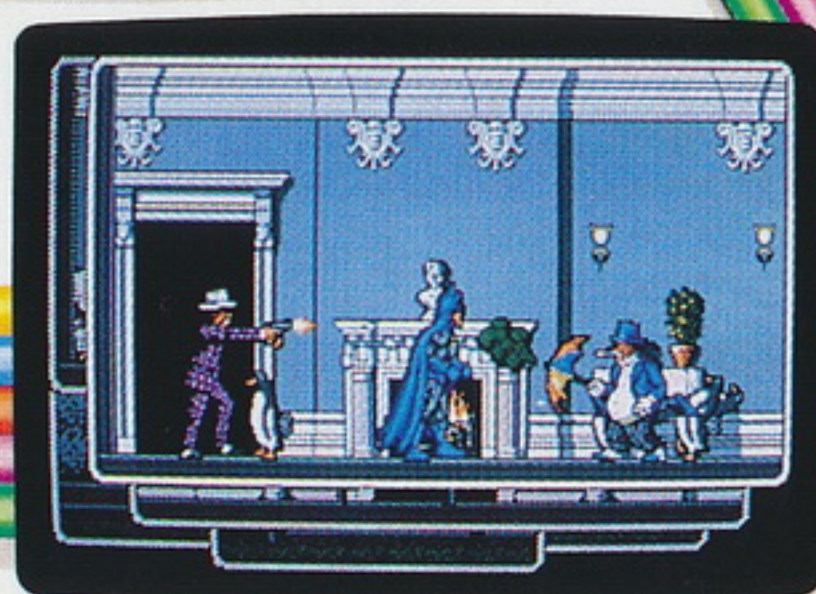

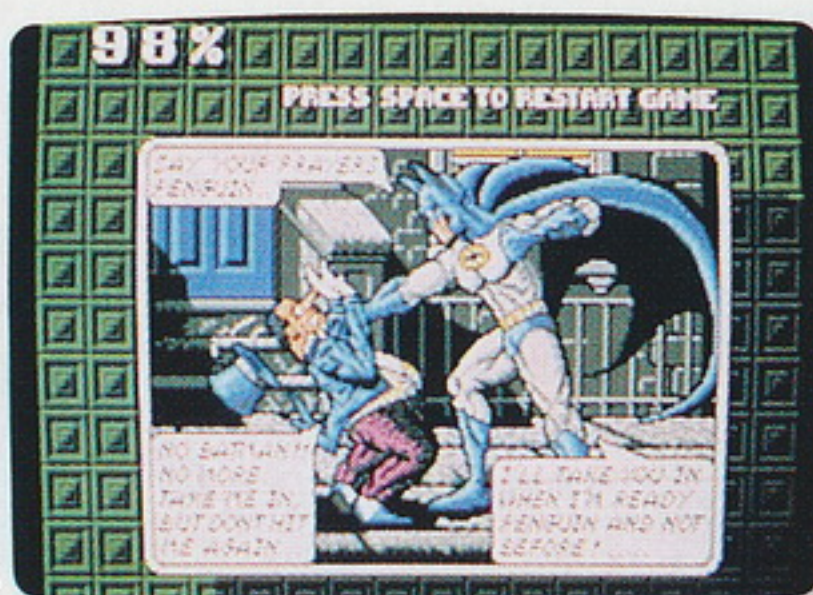

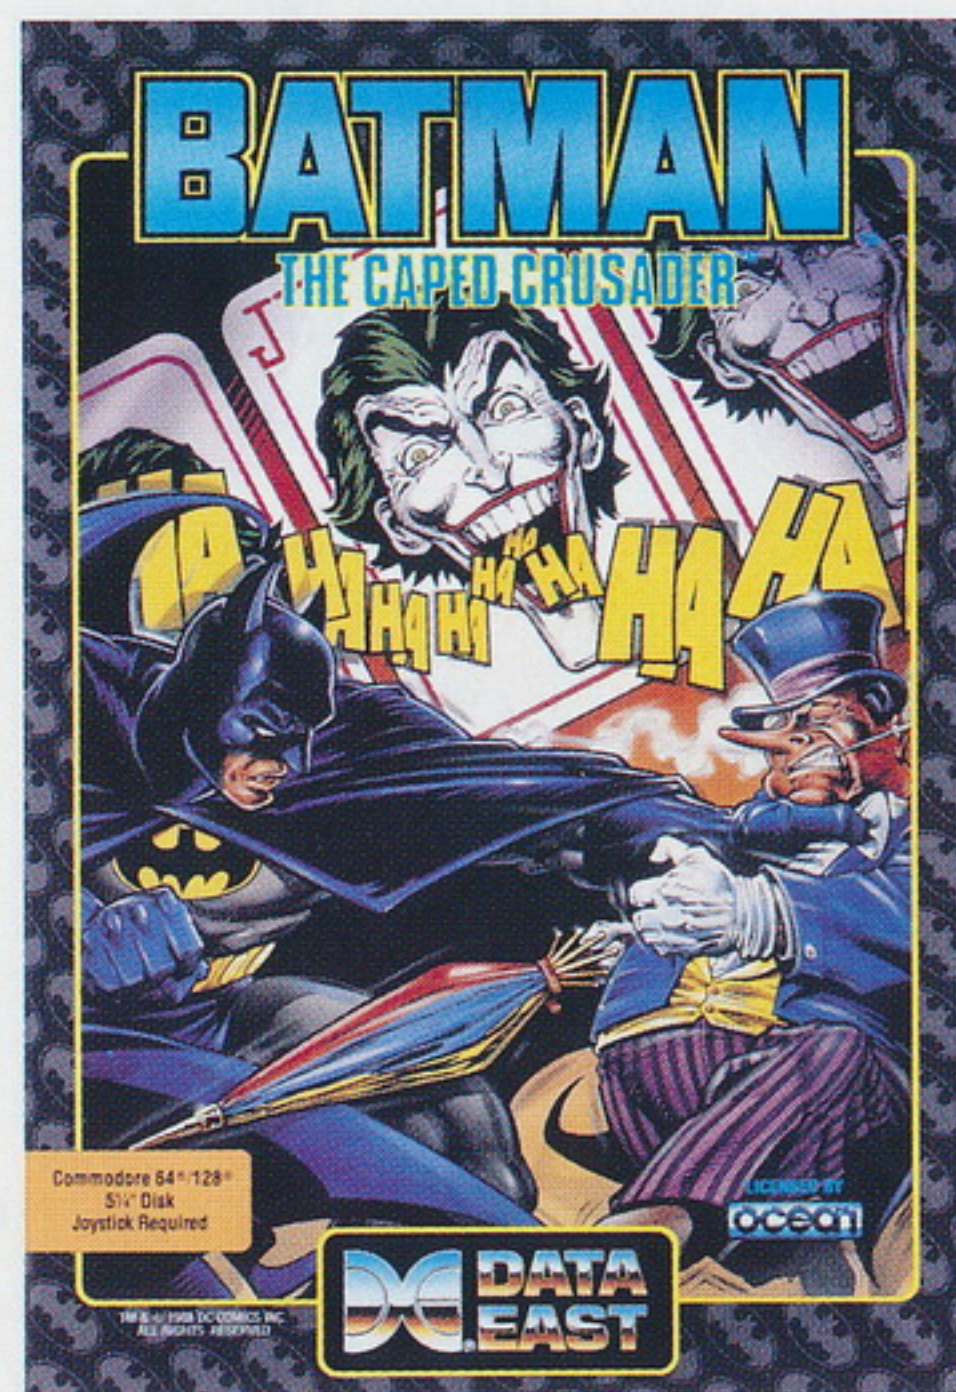

The Penguin is back and he's set himself up as a respectable umbrella merchant. Or has he? Could the umbrella factory be just a cover for his plot to take over the world with an army of robotic penguins? As Batman you must locate the master computer and put an end to the demented squawkings of that overweight birdbrain.

But, that's not all! No sooner have you taken care of the Penguin when the Joker pulls off his greatest feat of sleight of hand—he kidnaps Robin! Grab your batarang and rev up the

batmobile—because if you don't reach Robin in a hurry, the last laugh will be on you! HA, HA, HA, HA!

It's all right here in Batman, The Caped Crusader.

## HEAVY BARREL

*It's the Ultimate Weapon. The One They Call Heavy Barrel.*

It's the only thing that can stop an ugly assortment of terrorists who are holding the world hostage with a cache of nuclear goodies they fully intend to use. The problem is that

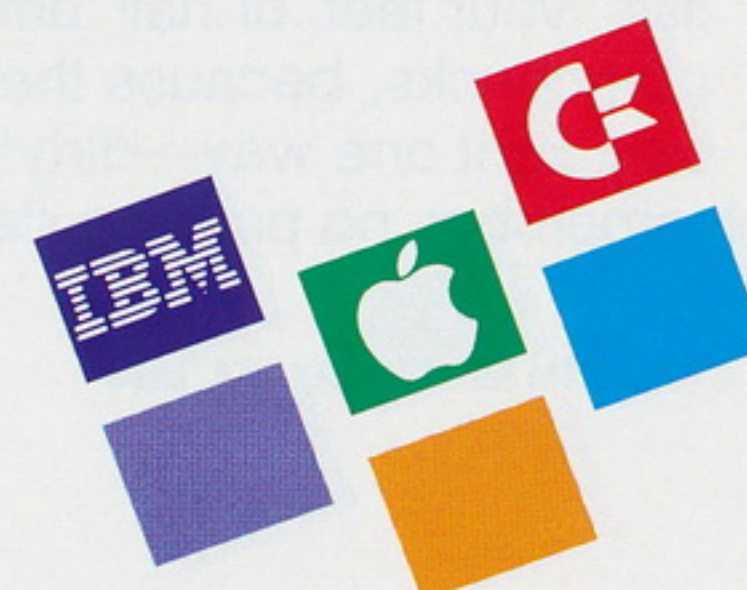

HEAVY BARREL is in six pieces carefully hidden in a heavily guarded armory. What you have to do is get in, find and assemble HEAVY BARREL, then do what any red-blooded American would do

when faced with the end of the world. But hurry. The clock is ticking. The terrorists are ticked off. And you've got a job to do.

Heavy Barrel. It blew you away in the arcades. Now this arsenal of action is yours at home.

## VIGILANTE

**T**here's more than one way to trim a Mohawk.

Those scuzzy gutter snipes have resurfaced. This time they're wreaking havoc on your home turf and they've kidnapped your woman. There's no telling what they might do! Even the cops have copped out. Only you can save her!

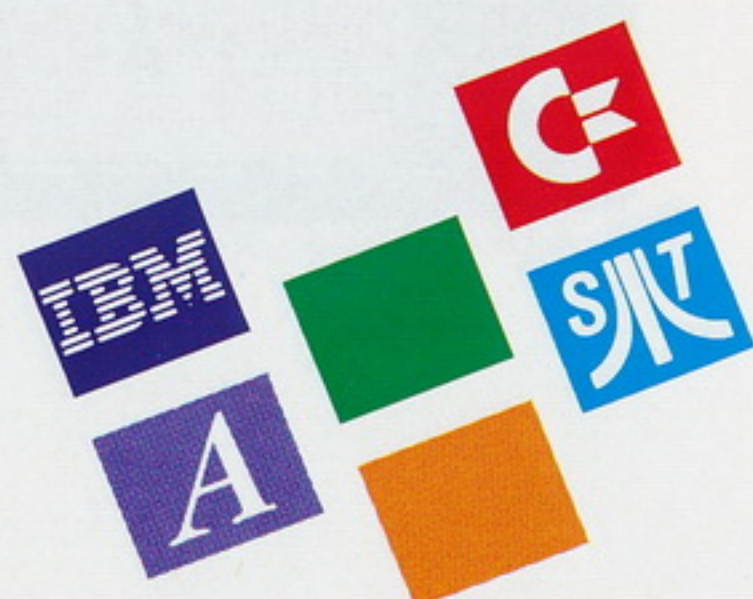

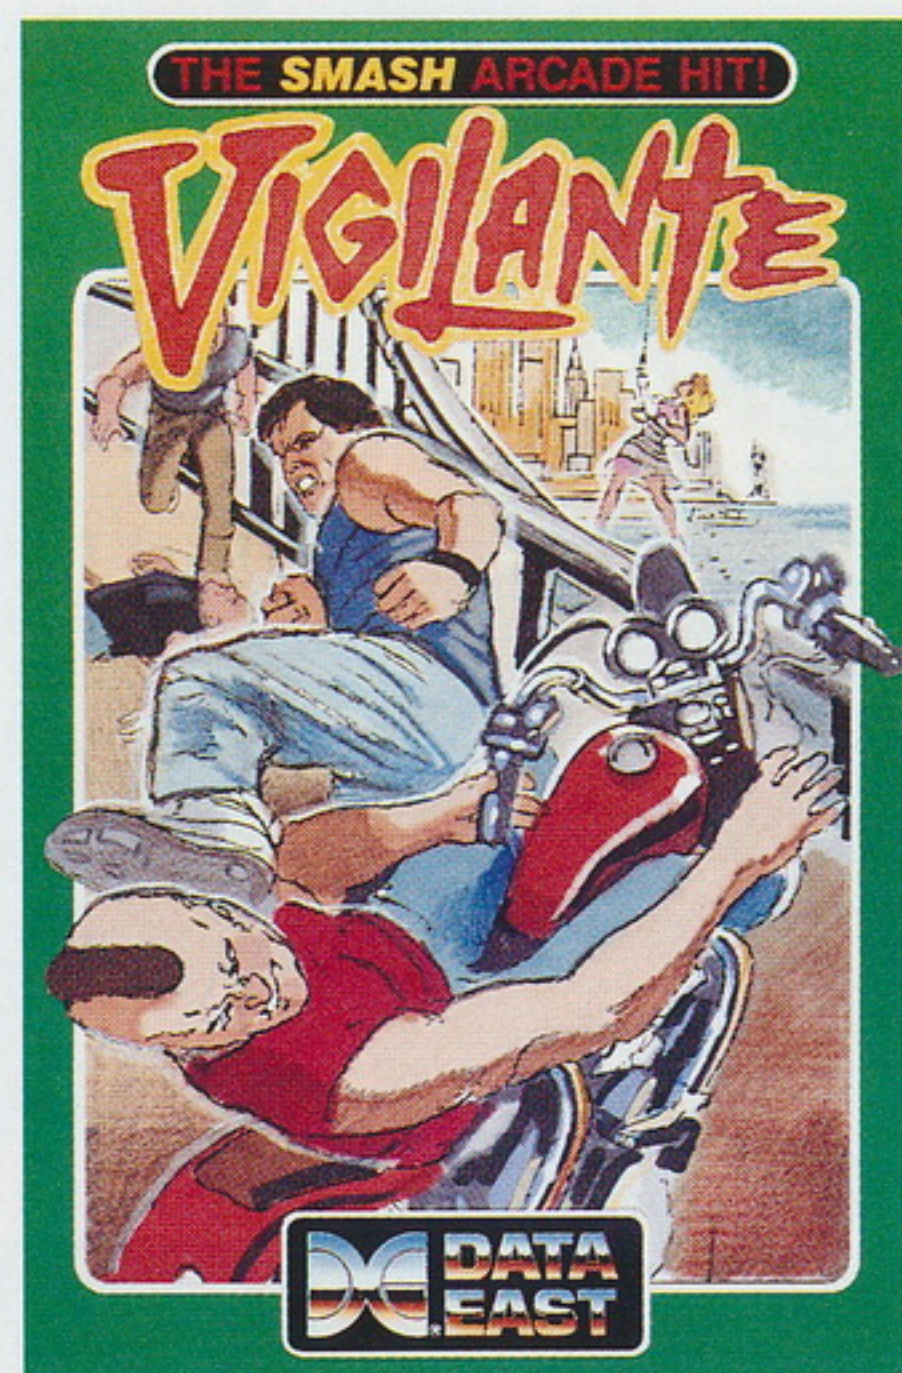

As Vigilante, you must stop these maniacal mohawks before it's too late.

Only you can defeat the skinheads, deliver justice, and rescue your babe. Use your

fists, your feet, or nail 'em with your numchucks, because these punks only fight one way—dirty! Just remember, no pain, no dame.

## SUPER HANG-ON

**T**urbo Charged Arcade Action Is Around Every Corner.

The ultimate challenge of man and machine. Here's incredible racing action that puts you on a powerful pro motorcycle and pits you against world class courses and competi-

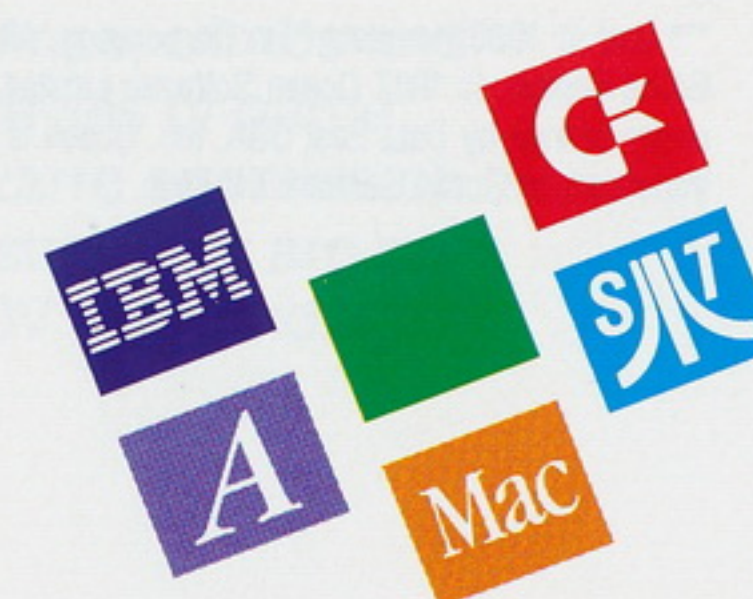

tors. But, in SUPER HANG-ON what's racing most are your heart and mind as you pour everything you've got into beating the clock. And once you've conquered even the toughest courses, SUPER HANG-ON puts an even greater challenge into your hands by letting

you build your own race course—with the course construction kit.

So, if you don't mind getting your leathers dirty—or perhaps even playing dirty—then you've got what it takes to take on SUPER HANG-ON.

## PLATOON

**T**he First Casualty of War is Innocence.

In "Platoon," you'll experience the full impact of the Academy Award winning film as you lead your platoon into the war-torn jungle of South East Asia—picking up food and supplies along the way. In every bunker, secret tunnel, foxhole and village await deadly surprises—so don't think about winning this game, think about surviving—surviving guerrilla fighters, snipers, booby traps, and napalm air strikes. Like the Vietnam War itself, escaping with your morale and sanity intact is victory enough.
